Section 1:

In this section we aim to find out as much as we can about your child so we can evaluate the best treatment methods tailored to their needs. This ensures you & your child can get the most from their appointments. We appreciate as much detail as possible. We understand that privacy is important, if you prefer to discuss some details verbally, please let a Chiropractic Assistant know.

Please tick this box if your child is presenting for wellness/maintenance care and is asymptomatic: ☐ ***Please advance to Section 2.***
